COLLEGE OF  
VETERINARY MEDICINE

## *Veterinary Specialty Center Driving Directions*

**Please Note: Many of our clients who have used GPS have been led off-course when using our address as the reference point, but we have recently learned that the following address does usually work with GPS: 1207 Dr Martin Luther King Jr Dr, Starkville, MS (which is a different name for a certain section of Hwy 182). However, we still recommend that you refer to the following driving directions – either along with, or instead of, GPS – in order to ensure you are on track in finding our location.**

Directions to Veterinary Specialty Center:

**If you are driving toward Starkville on Hwy 25 going North:** When coming into Starkville, exit off of Hwy 25 onto the “Hwy 182 – West Starkville” Exit and turn Right from the exit ramp onto Hwy 182 going East. The second building on your Right will be the Marathon “Fast Break” Gas Station. Veterinary Specialty Center is located in the third building on your Right, the “Premier Health Complex,” and our entrance is on the side of the building that is beside Fast Break.

***If you are driving toward Starkville on Hwy 45 or Hwy 45 Alt going North or South:*** Exit off of Hwy 45 or Hwy 45 Alt onto Hwy 82 going West, and refer to the directions in the next paragraph:

***If you are driving toward Starkville on Hwy 82 going East or West:*** When coming into Starkville, exit off of Hwy 82 onto the “Hwy 25 South – Louisville” Exit going South. After approximately one mile, exit off of Hwy 25 onto the “Hwy 182 – West Starkville” Exit and turn Left from the exit ramp onto Hwy 182 going East. The second building on your Right will be the Marathon “Fast Break” Gas Station. Veterinary Specialty Center is located in the third building on your Right, the “Premier Health Complex,” and our entrance is on the side of the building that is beside Fast Break.
